- **Thank you all for making the last few days a great success! We appreciate your understanding in all the last-minute changes!**
- Special thanks to all our speakers and the members of the UEC who helped with the in-person hosting and convening.
- We were happy that many of you made the effort to attend in-person.
- And we are grateful to those who chose to stay virtual to give others the opportunity to attend in-person – it was great to see how accommodating you all were when we had to downgrade on-site attendance.
- I hope those who did attend the meeting in-person enjoyed it and had chance to socialize with colleagues and new faces!
- Video posting ASAP – we will notify you all when its ready (thanks to Allan Johnson for all the A/V support).
- We look forward to welcoming you next year – hopefully all 300 of you will be in the Auditorium!
- ***Festa Italiana – Tonight 6pm – 8:30pm (see email for Zoom or attend in person)***
